## DEBUTANTE PARENT'S ACKNOWLEDGMENT

As parents of a debutante and members of the Mystic Krewe of Iberians, we understand that we are responsible for our debutante daughter and her guest. We understand that any behavior issues that the Krewe may consider inappropriate will be brought to our attention and will be immediately addressed.

We understand that while we are members, our debutante and their date are not. We understand that they are invited guests and will respect the acceptable practices and behaviors expected for members and guests.

We understand that it is at the discretion of the Krewe and their representatives to determine if the debutante and/or their date should be removed from the event.

We understand that our debutante daughter's guest must be a Junior in High School or above.
